E-MAIL COMMUNICATION

- Beattie, William. Conservation Planning Manager, Northwest Indian Fisheries Commission, WA. May 19, 2008. Personal communication to Melissa Neuman (NMFS), comments of draft of proposed 4(d) rule language.
- Campbell, Elizabeth A. Fishery biologist, USFWS. June 19, 2007. Personal communication, e-mail to Susan Wang (NMFS), regarding unpublished data on 10 adult green sturgeon carcasses found around the Red Bluff Diversion Dam from mid-May through June 10, 2007.
- Catania, David. California Academy of Sciences. 2006. Personal communication, email to Peter Adams (NMFS) regarding occurrence of green sturgeon in Noyo Harbor.
- Ferdinand, Jennifer. Fishery biologist, NMFS, Seattle, WA. November 24, 2006. Personal communication, e-mail to Susan Wang (NMFS), regarding green sturgeon bycatch data from North Pacific Groundfish Observer Program through 2006.
- Ferdinand, Jennifer. Fishery biologist, NMFS, Seattle, WA. Duane Stevenson. Research fishery biologist, NMFS, Seattle, WA. September 8, 2006 and November 24, 2006. Personal communications, e-mail to Susan Wang (NMFS) and Josh Israel (UC Davis), regarding green sturgeon bycatch data and specimens from Alaskan waters observed by the NOAA Observer Program in 2006.
- Hightower, Joseph E. US Geological Survey, Raleigh, NC. 2006. Personal communications, email to Peter Adams (NMFS) regarding presence of green sturgeon in Oregon estuaries.

List of References for Proposed Rule to Establish Take Prohibitions for Southern DPS Green Sturgeon

Israel, Joshua. Research scientist, University of California, Davis (UC Davis), Department of Animal Science, Davis, CA. June 5, 2008. Personal communication, e-mail to Melissa Neuman (NMFS), regarding unpublished data showing that Southern DPS green sturgeon make up 80% of the population in the Columbia River.

Majewski, Janell. Research fishery biologist, NMFS, Seattle, WA. November 21, 2006. Personal communication, e-mail to Susan Wang (NMFS), regarding a green sturgeon data collection protocol for the West Coast Groundfish Observer Program.

McLain, Jeffrey. Fishery biologist, US Fish and Wildlife Service, Sacramento, CA. December 14, 2006. Personal communication, email to Melissa Neuman (NMFS), regarding Southern green sturgeon DPS presence in estuaries.

Raifsnider, Carol. Director of Operations, Tenera Environmental, San Francisco, CA. September 12, 2006. Personal communication, e-mail to Susan Wang (NMFS), regarding green sturgeon impingement and entrainment data for coastal power plants monitored by Tenera Environmental.

Rasmussen, Rand. Research fishery biologist, NMFS, Southwest Fisheries Science Center, La Jolla, CA. July 18, 2006. Personal communication, e-mail to David Woodbury (NMFS), regarding green sturgeon bycatch data from the California halibut set-net fishery from 1991-2000.

Reedy, Gary. River Science Program Director, South Yuba River Citizens League, Nevada City, CA. December 5, 2006. Personal communication, e-mail to Jeff McLain (USFWS), regarding observation of green sturgeon in the lower Yuba River.

Seesholtz, Alicia. Environmental scientist, California Department of Water Resources, Oroville, CA. April 24, 2008; June 9, 2008; and July 3, 2008. Personal communication, e-mail to Melissa Neuman and Susan Wang (NMFS), regarding observations of green sturgeon in the lower Feather River, CA.

Steinbeck, John. Principal scientist, Tenera Environmental, San Luis Obispo, CA. September 7, 2006. Personal communication, e-mail to Susan Wang (NMFS), regarding green sturgeon impingement data for the Moss Landing Power Plant.

Tucker, Michael. Fishery biologist, NMFS, Sacramento, CA. March 15, 2007. Personal communication, e-mail to Susan Wang and Melissa Neuman (NMFS), regarding green sturgeon observations at the Red Bluff Diversion Dam, Sacramento River, CA.

LETTER

Nelson, David M. Marine biologist, National Ocean Service, Silver Spring, MD. March 7, 2008. Personal communication, letter to Steve Stone (NMFS), regarding green sturgeon anecdotal information for West Coast estuaries as reported in Emmett et al. 1991.

Pinnix, William. Fishery biologist, US Fish and Wildlife Service, Arcata, CA. February 20, 2008. Personal communication, letter to Julie Weeder (NMFS), regarding green sturgeon acoustic telemetry detections in Humboldt Bay, California.

MEETING

Israel, Joshua. Research scientist, University of California, Davis (UC Davis), Department of Animal Science, Davis, CA. April 4, 2006. Unpublished data presented during green sturgeon meeting with Melissa Neuman (NMFS), regarding a presentation on mixed stock analysis of North American green sturgeon.

Israel, Joshua. Research scientist, UC Davis, Department of Animal Science, Davis, CA. Bernie May. Adjunct Professor, UC Davis, Department of Animal Science, Davis, CA. May 31, 2006. Unpublished data presented during public scoping workshop held by NMFS for green sturgeon. Presentation titled "Green sturgeon in Pacific estuaries: Potential impacts of mixed stock fisheries."

Lindley, Steve. Research fishery biologist, NMFS Southwest Fisheries Science Center, Santa Cruz, CA. February 24 and 25, 2008. Unpublished data presented during green sturgeon critical habitat review team meeting, regarding detections of tagged Southern DPS green sturgeon.

Lindley, Steve. Research fishery biologist, NMFS Southwest Fisheries Science Center, Santa Cruz, CA. Moser, Mary. Research fishery biologist, NMFS Fisheries Northwest Science Center, Seattle, WA. 2006. Unpublished data presented during green sturgeon status review team meetings.

Lindley, Steve. Research fishery biologist, NMFS Southwest Fisheries Science Center, Santa Cruz, CA. Moser, Mary. Research fishery biologist, NMFS Fisheries Northwest Science Center, Seattle, WA. February 24 and 25, 2008. Unpublished data presented during green sturgeon critical habitat review team meeting, regarding detections of tagged Southern DPS green sturgeon.

McLain, Jeffrey. Fishery biologist, US Fish and Wildlife Service, Sacramento, CA. May 31, 2006. Unpublished data presented during public scoping workshop held by NMFS for green sturgeon, regarding green sturgeon presence in the San Francisco Bay, Suisun Bay, San Pablo Bay, and Sacramento-San Joaquin Delta throughout the year.

Oregon Department of Fish and Wildlife. 2006. Unpublished data presented during green sturgeon status review team meetings regarding green sturgeon presence in Oregon estuaries.

Washington Department of Fish and Wildlife. 2006. Unpublished data presented during green sturgeon status review team meetings regarding green sturgeon presence in Washington estuaries.

TELEPHONE CONVERSATION, FACE-TO-FACE COMMUNICATION (OTHER THAN FORMAL MEETING), OTHER

Federal Energy Regulatory Commission. November 7, 2008. Draft Environmental Impact Statement for Relicensing of the South Feather Power Project No. 2088-068.

Schumacker, Joe. Marine resources scientist, Quinault Indian Tribe, Department of Natural Resources, WA. November 2, 2006. Personal communication with Susan Wang (NMFS), regarding Quinault Indian Tribe sturgeon fishing regulations.
